A place to call home

At Connexus, we're committed to helping people find homes they can build a life in.

Tudor Way offers the opportunity to own a brand-new home in Ludlow through Shared Ownership, making home ownership more accessible for a range of buyers.

Why choose Shared Ownership?

Shared Ownership is designed to help more people get onto the property ladder.

You buy a share of your home and pay rent on the remaining share, which can mean a smaller deposit and mortgage than purchasing a home outright.

Shared Ownership can offer:

- A more affordable route to home ownership
- Lower deposit requirements
- The opportunity to increase your share in the future
- The security of owning your own home
- A brand-new, energy-efficient property

How Shared Ownership works

1. Buy an initial share of between 10% and 75%.
2. Arrange a mortgage for the share you are purchasing.
3. Pay rent on the remaining share.
4. Pay any applicable service charges.
5. You may be able to buy additional shares in the future through staircasing.
